## CONDITIONS OF SALE

1. All bids are to be entered by LOT as numbered in this catalog.
2. Coins will be bought for as much below your bids as possible.
3. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of Parcel Post and Insurance will be added to your bill.
4. The lots will be on exhibition at the store of the Cataloger for 3 days prior to the day of sale.

## CONSIGNMENT A

This consignment consists of duplicate coins from the collection of a professional man in the mid-west. He collected mostly choice GEM specimens. Where a coin is marked GEM, please be assured it is the finest obtainable. In this condition they bring more than catalog.

### FLYING EAGLE AND INDIAN HEAD CENTS

1

1856 BRILLIANT PROOF GEM. This very rare Flying Eagle Cent has a beautiful even brilliance, both obverse and reverse. It is one of the rarer types, being AW-207 thick planchet, rarity 10 with a mintage of 13 to 15. Although the retail price of this coin is over \$200.00, I believe this specimen will sell for much more.
